

Mogumber New Year's Eve Rodeo

Attendee Information, Terms & Conditions

TICKET QR CODES

It is the responsibility of attendees to have your QR code ready for scanning. You must download the QR code prior to arrival at Mogumber.

Mobile data is unreliable on event day due to the volume of visitors in the small rural town. Downloading your ticket in Mogumber on event day may not work.

Download your ticket to your phone (apple wallet or screenshot) or print your ticket with the QR code showing.

RESPONSIBLE LEGAL GUARDIAN

U18 patrons must be supervised by a responsible legal guardian at all times. This includes the campground and the licensed rodeo venue.

Under Western Australia's Liquor Control Act 1988, a responsible adult must be:

- A parent or step-parent
- A legal guardian
- A spouse or de facto partner
- A person in loco parentis (someone genuinely acting in the place of a parent and exercising parental responsibility for the minor)

An adult friend, older sibling, boyfriend or girlfriend does not automatically qualify as a responsible adult simply because they are aged 18 or over.

Event organisers reserve the right to assess whether an accompanying adult (loco parentis) meets the requirements of a responsible adult and may refuse entry where they are not satisfied that appropriate supervision arrangements are in place.

CAMPGROUND

Thanks to the generosity of a local farming family, complimentary paddock-style camping is included in your rodeo ticket.

The campground opens at 12 noon on the 31st of December and closes at 12 noon on New Year's Day 1st of January. As the campground is located on private property, strict insurance conditions apply, and entry to the campground is not available prior to this time.

Caravans, camper trailers, roof top tents, traditional ground tents and swags are welcome.

Campsites are allocated in rows on arrival, so please arrive at the campground vehicle entry together with your group of campers. Sites cannot be reserved for late arrivals, so organise your convoy before reaching Mogumber Arena to ensure your group can camp together. Due to insurance requirements, there is a strict 'no vehicle movement policy' in place once camping sites are allocated. You can only move your vehicle if you plan to leave and not come back.

There is a separate parking area for visitors choosing not to camp and leaving after the rodeo/band.

Portable toilets are onsite and serviced by the hygiene team.

There are no showers or water sources onsite, other than drinking fountains to provide drinking water.

There are no power connections. We discourage the use of generators due to the close proximity of your campground neighbours, but if absolutely necessary you can use a generator if located on your vehicle or a safe patch of bare earth. Please switch off at 9pm.

No fires are allowed due to seasonal fire bans. No open-flame cooking or solid fuel BBQs are allowed.

No glass is allowed onsite. The land is kindly provided by farmers, and glass poses a risk to their farming activities. Leave your wine glasses at home or stored away in your caravan. Only use plastic or cans in the campground.

You're welcome to enjoy a few drinks responsibly in the campground, but safe and respectful behaviour is essential. Inappropriate conduct may result in immediate removal from the event. Remember, the rodeo arena and band viewing area are licensed premises, and security will refuse entry to intoxicated patrons. Enjoy your campground drinks responsibly so you don't miss out on the rest of your New Year's Eve celebrations!

No dogs or any other pets are allowed, other than certified service dogs
No drones are allowed to be used
No whip cracking
No boom boxes

Beware of ticket scams! Due to the high level of fraudulent ticket activity, we strongly advise against purchasing tickets through social media, private sellers or unauthorised websites.

For your peace of mind, always purchase through our official ticket link or use Tixel for resale tickets.

BE PREPARED

New Year's Eve in Mogumber can bring extreme summer temperatures, so please come prepared for hot weather and prolonged sun exposure. We recommend wearing comfortable, weather-appropriate clothing and bringing a wide-brimmed hat, sunscreen and plenty of drinking water to stay hydrated throughout the event.

Mobile reception and data services can be unreliable in Mogumber due to the influx of thousands of visitors on event day. We strongly recommend bringing cash, as EFTPOS facilities may be affected by connectivity issues.

Cash payments also help our community! Every EFTPOS transaction incurs processing fees for the Mogumber Outback Club. By choosing to pay with cash, you help reduce these costs, allowing stronger investment into services and facilities in the small rural community.

BEHAVIOUR

The Mogumber New Year's Eve Rodeo is a family-friendly, community-run event, and we expect all attendees to contribute to a safe, welcoming and enjoyable atmosphere.

All patrons are expected to consume alcohol responsibly, respect fellow attendees, volunteers and event staff, and behave appropriately throughout the event and campground.

Anti-social behaviour, including aggressive or abusive conduct, excessive noise, vehicle burnouts, or any activity that compromises the safety or enjoyment of others, will not be tolerated.

Event organisers reserve the right to refuse entry or remove anyone who fails to meet these standards of behaviour, without refund.

PERSONAL BELONGINGS AND SECURITY

Security is on site but is unable to monitor the belonging of all campers and competitors. Attendees are responsible for the security of their own belongings. We recommend leaving unnecessary valuables at home and ensuring personal items are kept secure at all times.

VOLUNTEERS AND COMMUNITY RESPECT

The Mogumber New Year's Eve Rodeo is proudly organised and operated by dedicated volunteers who contribute countless hours to delivering a quality event for everyone to enjoy.

We ask all attendees to treat our volunteers with respect. Please help support our small rural community by disposing of rubbish in the correct bins provided. Keep the campground tidy by using the separate rubbish and recycling bags provided on entry. These simple actions make a significant difference in reducing the workload for our hardworking volunteers.
